Winthrop University  
Mechanical engineering  
Rock Hill, Sc  
GPA: 3.0/4.0

Fort Mill High School  
Class of 2022

## Experience

Construction Worker 2022 – Present

Lake Property Group, Fort Mill, Sc

- Load and unload construction materials, tools, and equipment from trucks and delivery vehicles while adhering to safety protocols and regulations at all times to prevent accidents, injuries, and property damage.
- Perform basic carpentry, masonry, or concrete work, such as framing walls, pouring concrete, and installing drywall while operating hand and power tools, including saws, drills, hammers, and pneumatic nail guns, safely and effectively.
- Communicate effectively with team members, supervisors, and subcontractors to coordinate work activities and ensure project timelines are met.

Line Cook 2017 – 2019

Brixx Wood Fired Pizza, Fort Mill, Sc

- Prepare pizza dough, sauces, and toppings according to standardized recipes and portion sizes.
- Operate pizza ovens and other cooking equipment safely and effectively to cook pizzas to perfection by monitoring oven temperatures and loading firewood as necessary to achieve optimal cooking results.
- Coordinate with kitchen staff and servers to prioritize and fulfill pizza orders in a timely manner while communicating effectively with front-of-house staff to ensure accurate order delivery and resolve any discrepancies
